Dear Armand,

Thank you for all you did to help us buy our new house! Besides the local knowledge and quick response to our short notice, I appreciated your prompt communication and thorough job of making sure everything went the way it should. I was also happy that you provided the right amount of help, both in our search and after we made the offer on the house. We never felt overwhelmed with details or abandoned without a clue.

We are now living in our new house, finishing the unpacking, and enjoying the perfectly-functioning air conditioners as we listen to Armand & Bluesology on the stereo!

Thanks,
