Dear Armand,

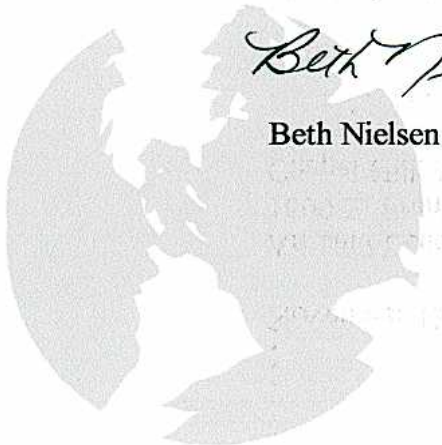

I wanted to thank you for helping my mother-in-law find the perfect house. She is happily settled in Hillsborough and the entire family is enjoying having her nearby. Normally I would say that you surpassed my expectations with an excellent job, but honestly, I didn't expect anything less than an excellent job based on the personal recommendation that I got from Cathy. Your concern for Doris's needs and my time were greatly appreciated. You're a great human being and a fine real estate agent.

Sincerely,

Beth Nielsen
