Dear Armand,

We have written below a short testimonial about what an AWESOME real estate agent you were. We hope business is booming for you and that all is well with you and your family.

"As first time home buyers we couldn't have asked for a better real estate agent. Armand traveled great distances to help us find the home that we wanted. Throughout the month between our offer acceptance and the closing date, Armand was always on top of everything and communicated regularly with us, making the entire home buying process smooth and stress-free."

Take care,
Jill Webster
