

Dear HPW,

I would like to take a moment to say a few words of praise for Mr. Armand Lenchek.

I first met Mr. Lenchek on the soccer fields. I had the opportunity to coach his son. From the start I could see he was a very involved parent, and he was always willing to lend a hand. At the team party, I came to learn he was in the real estate business. Lucky me, cause I was in the market.

Not only was Mr. Lenchek, my agent, he was my friend. He helped me with every step of the process, always willing to answer my questions and give my guidance and yet he never imposed any of his own views on me. I was never rushed and when I finally made my decision, he supported me. With his help I was able to find my home, a place where I spend lots of my time studying and living. Mr. Lenchek helped me to make one of the biggest decisions of my life, he helped me to find my first home, and I would have had it no other way.

Sincerely,
